"I just bought us a B & B on eBay!"

Free-spirited Katy Dodson is already fantasizing about the perfect small-town life she'll share with her five-year-old son, Josh. But her sister Emma wonders who in their right mind would use her hard-won divorce settlement to purchase Bitsy's B & B down in the Ozarks.

And, as usual, Emma is right—because in Warbler Lake, Missouri, B & B stands for Bait and BBQ!

With their money and future sunk into a run-down, roadside rattletrap, the girls have no choice but to roll up their sleeves. Soon they know the difference between night crawlers and shiners, and Warbler Lake begins to feel like a place to build a home.

But trouble arrives when Katy's ex-husband declares he wants custody of Josh. Katy thought that getting Bitsy's B & B up and running was the biggest challenge she'd ever face. But now, with Emma's help, she's determined to keep her son—and the future she's worked so hard to create.
