Globalization, Hegemony and the Future of the City of London

Leila Simona Talani

Globalization, Hegemony and the Future of the City of London Leila Simona Talani

This book gives a detailed account of the motivations behind the primacy of the City of London, both as a domestic actor and as a global financial centre. It focuses on whether the hegemonic position of the City of London can be threatened by the globalization process and how this relates to its role as an international money laundering centre.
