Halifax Radio Weekly Music Charts: 1961 - 1984 Frank W. Hoffmann

CJCH, C100, and CHNS were the three leading popular music outlets serving the Halifax, Nova Scotia market during the post-World War II era. This volume includes a representative sampling of pop music surveys produced by these three stations during the 1960s and early 1980s. Like the other radio charts titles, my goal was to provide a convenient chronological compilation of weekly surveys with corrections of the considerable errors found in both the original sources and in translation to online sites. These radio charts – which exist in the public domain – can be found in a multitude of sources, including original published sheets distributed via retail outlets, mail inquiries, etc., notation of on-air broadcasts, back issues of area newspapers (where stations are located) and music trade periodicals, specialized reference books, and websites interested in historical documentation, most notably, Oldiesloon, musicradio77, and ARSA. I employed multiple sources in the compilation of each radio chart volume in order to provide the most accurate data possible.
