Scipio Rising (Scipio Africanus Trilogy) (Volume 1) Martin Tessmer

Three men, three vows: one to destroy Rome, another to protect it, a third to defeat the both of them. This is the saga of Scipio Africanus, one of history's greatest generals, and his history defining clash with Hannibal the Great and Cato the Elder. Born into a wealthy and powerful military family, Cornelius Scipio is a brilliant scholar who dreams of educating the common people of Rome. But he has promised his father he will become a soldier and defend Rome against Hannibal, its sworn enemy. Young Scipio soon finds himself fighting on two fronts: in Italia against the Carthaginians and in the Rome against Cato the Elder's austerity party. When all the veteran commanders fear to confront Hannibal and his brothers, Scipio steps forward to become Rome's boy general. Leaving his mother and betrothed to wage his political war at home, he sets forth to defeat the undefeated, relying on visionary genius to compensate for an outnumbered army of raw recruits. This is the first book in the Scipio Africanus Trilogy, based on his exploits during the Second Punic War. The second book, *The Three Generals*, will be out in mid-2014.
