Since leaving the Villain Academy Elliot Vane has led a blessed life with endless money, beautiful women and new friends. He has developed a talent for all things tech and has financial control over his own, small-time Villainous group. His ex-girlfriend, Innya, has not been so lucky, and has spent the past three years as a prisoner of the U.S. Government. But when a ghost out of Elliot's past tries to squeeze Innya for information, she realizes that Elliot is in way over his head... Again. She flees to Italy to fight at Elliot's side, bringing trouble on her heels. Soon it's an all-out war between multiple governments and Villainous organizations, and Elliot and Innya are caught in the middle. Will they succeed in taking down the established Villain hierarchy?
