Parliaments and parliamentarians have a key role to play in promoting and protecting human rights. This Handbook aims to assist parliamentarians and others in efforts to realize the Convention so that persons with disabilities can achieve the transition from exclusion to equality. It seeks to raise awareness of the Convention and its provisions, promote an appreciation of disability concerns, and assist parliaments in understanding the mechanisms and frameworks needed to translate the Convention into practice. By providing examples and insights, it is hoped that the Handbook will serve as a useful tool for parliamentarians to promote and protect the rights of persons with disabilities all over the world.
