## **Adventure, Romance and Mystery in a Unique Fantasy World**

*I don't know who I am.*

*I don't know what I am.*

*All I know is that I'm being hunted, and this world is not my own.*

Lost in a world full of monstrous fairies, a troubled sixteen year old has to find out who she is and why her memories were stolen before she is found by those who want her dead. She takes the name "Memory" and knows she has just one goal - to find her way home, wherever that is. But this land is strange. No technology to be seen, and iron is banned, thanks to a pact the humans have with the magical creatures who share their Victorian era world. In her t-shirt and torn jeans, Memory knows she's different, even before she performs impossible magic.

Haunted by her past, chased by a dragon, wanted by the king and stalked by the strange, handsome savage that seems to know her, everyone is after Memory, and she suspects it's not just for her eye-catching outfit. Her forgotten past holds dangerous secrets that will challenge everything she believes and risk the lives of everyone she loves.
