The Wrong Panties (Short story): Chapters 1 to 3 of the full novel Sandy Heath

The Wrong Panties is a full length erotic novel (approaching 82,900 words) by Sandy Heath featuring themes of chastity and cross-dressing and descriptions of sexual acts which those of a sensitive nature may find not to their tastes. It is, therefore, not suitable for such readers nor for anyone considered a minor by the authorities in their country of residence.

This short story of almost 12,000 words recounts how our hero's cross-dressing is discovered and leads to a far more satisfying relationship between him and his wife as both reveal previously hidden sides to their personalities and she takes advantage of his embarrassing sissy nature to take control of his sexuality.

Promising him sensual lingerie of his own she contrives to keep him in chastity until the panties she's ordered arrive and he finds himself confronted with "The Wrong Panties" - Inescapable stainless steel lingerie which puts his pleasure totally under her control and for which only she holds the key.

"The Wrong Panties (Short story)", while standing complete in its own right, is an extract from "The Wrong Panties" and comprises the first three chapters of the full-length novel (19 chapters) in their entirety, ending just as our hero finds himself dressed in 'the wrong panties' and at the tender mercy of his darling wife. The rest of the novel explores the adventures of our hero while dressed in 'the wrong panties' and far more exotic finery as he discovers the full reality of his position both as his wife's maid and as her bedroom toy.

A serious attempt has been made to eliminate the poor spelling, bad grammar and excessive crude language found in much of this genre and hence provide a much more satisfying experience for the reader. If this has been successful, please do let the author and the public know by posting a review.

The complete novel was published in February 2015.
