White Christmas: Decorating and Entertaining for the Holiday Season Tricia Foley

Everyone knows that the best Christmas is a white Christmas—a traditional celebration with snow capping the eaves, a fire roaring in the fireplace, and a mistletoe ball hanging in the doorway. Tricia Foley, best-selling author of *Having Tea, Linens and Lace*, and *The Natural Home*, brings back the magic of the time-honored customs, along with her own white-on-white decorating style, to create the kind of Christmas that will make treasured memories for years to come.

With ideas for every room of the house, Foley shows how to borrow from the colors of nature in winter 'pure white and evergreen' to dress up the house for the holidays. She includes simple yet timeless suggestions for draping greens over the bed canopy, hanging all-white stockings of every size and fabric, lighting with votive candles, candelabra, and sconces, and wrapping with handmade papers and raffia ribbons. For entertaining, *White Christmas* presents the perfect Christmas tea, with snowy linens and homemade scones. Helpful tip boxes cover Christmas lore, favorite tales, and Christmas crafts, and a resource section provides useful lists of addresses, related books, and holiday songs.

For anyone who wants to make the most of the holidays, Tricia Foley's *White Christmas* is the ideal holiday decorating and entertaining companion.
