In a lovely little kingdom, there are knights and kings and jesters and Jack. Jack is the royal kitchen boy, and spends his days peeling potatoes and chopping carrots. While he has no noble blood, fancy title, or shining sword, Jack has his books. When word of a dragon comes to the castle, everyone is in a terrible fright. Everyone is scared silly and no one wants to go anywhere near the dragon. But Jack's not afraid, because he knows something about dragons that everyone else does not. It's time for Jack to step up and use his head to solve the problem in this fun, beautifully illustrated picture book.

Another quality children picture book from the father and daughter team of Michael and Rachel Yu.
