On a construction project, accurate and complete recordkeeping is vital. You need a tool that will get the recordkeeping done. **You need** the Construction & Maintenance Daily Log!

The Log provides a clear, consistent, complete format to guide a foreman or supervisor so that accurate records get written down each and every day. If you make recordkeeping easier, it is more likely to get done. Because the Log is hardbound, it has increased credibility in arbitration, litigation, and regular old arguments over who's right and who's wrong.

The Construction & Maintenance Daily Log is designed for use in the field. In over 25 years we have never had a Log fall apart; its durability is unsurpassed.
