Mother Mary Speaks on the Cycle of Life, Death and Re-embodiment Werner Schroeder

This new edition includes priceless information based on detailed research of the “Bridge to Freedom Teaching” regarding the cycles of life, so-called death and re-embodiment. The text is presented in simple, easy-to-understand-language.

The teachings contained in the books distributed by the Ascended Master Teaching Foundation are based on the instructions of Divine Beings, also called Ascended Masters. Jesus, Mother Mary, Moses and Buddha are among them. A new phase of their teachings commenced in 1930, when the Ascended Master Saint Germain appeared to Mr. Ballard on Mount Shasta. These instructions were supplemented in the 1950’s, when Geraldine Innocente received additional instruction. These were given as part of the special dispensation by the Karmic Board, called “The Bridge to Freedom.” This material applies not only to today’s conditions, but it also applies to future generations. This teaching is designed for those individuals, who are searching, in life, for the highest aspect of truth.

This type of knowledge originating from the Ascended Masters has never been published, by anyone in such detail and in graded, chronological order. Experiences after death include: meeting family members, judgment before the Karmic Board, assignment by the Karmic Board to Temples of Learning (in preparation for re-embodiment), Mother Mary’s assistance and her service at the Temple of the Sacred Heart, the selection process for embodiment, creation of the pattern for a future physical body, preparation and schooling for new embodiment and how parents are selected.

Also included are explanations how to maintain perfect health, the “Fountain of Youth,” how individuals can have a longer life-span and steps that can be taken today to have more perfectly-born and healthy children. In addition, this new edition includes many dictations by Mother Mary on the subject of healing. Beloved Mother Mary and beloved Jesus are still active today, supporting mankind at many levels. We can call on them for assistance in healing and guidance in our daily affairs.

Werner Schroeder, formerly a highway design engineer, researched and compiled the information presented in this book from the thousands of pages of dictations given by the Ascended Masters during the “Bridge to Freedom Dispensation”. Annette Schroeder, his wife, assisted as editor. Annette, a teacher for 22 years, has a Masters Degree in Education from Stanford University.

As a result of the efforts of Werner Schroeder and Annette Schroeder, working as a team for 35 years, the content of all of the dictations given by the Ascended Masters to Geraldine Innocente during the “Bridge to Freedom Dispensation” has been re-published in a new arrangement, using a structured, subject-by-subject approach. They are available in 25 volumes, in English. In addition, translations are available in German, Spanish, French, Portuguese, Chinese and Greek. The Schroeder’s have lectured in 5 countries.
