\*\*This is an updated version of Game On, which now includes a bonus scene, and it is no longer a “clean” romance.\*\* After swapping her small town life to work for one of the top soccer teams in the U.S, Leah Walker thought she could finally leave the ghosts of her past behind. Los Angeles has everything Leah ever wanted. A great job, supportive friends, and most of all, an escape from the mundane English village she grew up in. The only cloud on her horizon is soccer superstar, Radleigh McCoy. He’s arrogant, sexy - the epitome of everything Leah used to crave in a man. But Leah is not that person anymore. After getting her heart trampled on, she knows the damage caused by guys who only have one thing on their mind. She’s determined never to go through it again, but when McCoy makes scoring with Leah his new goal, they become locked in a heated battle of wills which threatens everything she’s built for herself. As circumstances throw them together, the chemistry between them becomes harder to ignore, and Leah is forced to ask herself whether she has really changed at all.
