## **I, Hero: The Beginning** Jason Zandri

An everyday man, living less than ordinary life in New York City, simply makes his way about his work life and one at home. A kind heart and an empathetic soul, who tended to think of others before he thought of himself. With his childhood totally left behind and gone with the final resting of his father, Nathan has come to terms with his past as he forges his life in the present, unaware of what lies ahead. An unlikely friendship, a random act of violence, a budding romance, all part of a life changed. "When it's your time, there's nothing you can do to change that outcome. The only thing you can do is meet it head on. You have to hope that the life you had with others, while you were here, has made a positive impact." – Brian Devron "Where there is darkness, you are light. Where others know fear, you will be brave. When there are setbacks, you will persevere. Where others find weakness, you bring strength. Where there is despair, you are hope. Where cowardice falls, you rise courageously. Where others do not have the ability to believe, you have faith. You will suffer, so that others will endure. You will triumph where others would fall." - Cici Johnson "This is it; it all changes tonight. Anything I do tonight, at a minimum, is going to at least expose all of this to the world." - Nathan Devron.
