## **Love-Lust-Kink #13 Book 6. BDSM Women Guide** Tony Kelbrat

The conventional psychobabble states that an S&M dominatrix woman probably wants to be a man and may be frustrated because she has to play the role of docile woman in a society dominated by men so many of this type of women become dominatrixes to release this unresolved anger against men within themselves.

The girls who really like this stuff are probably girls who don't feel they have enough power in their lives so they do this to try to feel powerful.

Beyond this, women like to turn the sexual tables to be the enchantresses, the seductresses all the way to pushy dominatrixes who have men cowering at their feet as they bark out orders for what the men are to do to fulfill them sexually.

To find a local dominatrix for a fee or for free, look in local XXX publications for ads. In *My Private Life: Real Experiences of a Dominant Woman*, Mistress Nan says there are basically two types of men;

The cowardly wimp who folds right away after a bit of pain;

And the tough guys who stand up to the pain at first but eventually break down into sniveling wimps.

She says both are enjoyable to work with.

A lot of girls make a living as dominatrixes without sexual contact just whipping guys and hollering at them. It's legal because there's no sex involved which is why they openly advertise in the Personals section of regular mainstream newspapers.

A dominant is someone who plays the dominant pain inflicting humiliation causing role. A dominatrix is a female dominant. A master/ domme is a male dominant.

A SAM is a smart ass masochist who tells the dominatrix exactly what he or she wants done. This is also called topping from the bottom.

Cuckold is a female having sex with someone other than her husband. The husband is called a cuckold husband.

In BDSM, the husband could force his bottom wife to have sex with someone else while he watches.

The wife could play the femdom role and have sex with someone else while the husband is tied up. In this case, he's a sissy bottom.

The typical scenario is watching your wife getting fucked by another guy while tied up and not being able to do anything about it.

Sometimes the wife is tied up too.
