## If Women Rose Rooted: The Power of the Celtic Woman Sharon Blackie

'I love this book. Truly, it's mind-blowing in the most profound and exhilarating sense. This is an anthem for all we could be, an essential book for this, the most critical of recent times. I sincerely hope every woman who can read is given one, and has the time and the space to read it.' - Manda Scott, author of *Boudica* and *Into the Fire*

*'Rising high up on the heather-covered moorlands, seeping through our bogs, flowing down our streams and into our rivers and out onto the sandy strands of the rock-strewn Atlantic seaboard, are the old Celtic myths and stories ... waiting to be reclaimed and re-visited for the modern world.'*

Aged 30, Sharon Blackie found herself weeping in the car park of the multinational corporation where she worked, wondering if this was what a nervous breakdown felt like. Somewhere along the line, she realised, she had lost herself - and so began her long journey back to authenticity, rootedness in place and belonging. In this extraordinary book of myth, memoir and modern-day mentors (from fashion designers to lawyers), Blackie faces the wasteland of Western culture, the repression of women, and the devastation of our planet. She boldly names the challenge: to reimagine women's place in the world, and to rise up, firmly rooted in our own native landscapes and the powerful Celtic stories and wisdom which sprang from them. A haunting heroine's journey for every woman who finds inspiration and solace in the natural world.
