There are terrific "only in New York" stories here: the IBM exec who quit his six-figure job to flip Belgian waffles, the banquet hall chef who followed his dreams from Bangladesh to 46th Street, the second generation souvlaki masters carrying on their family traditions, among many others. With full-color photos that capture the local color as well as the delicious food, *New York a la Cart* is a celebration of the food-cart scene — but most importantly, offers more than 60 recipes so that readers can make their favorite street food at home.
