That's Mr. Faggot to You: Further Trials from My Queer Life Michael Thomas Ford

That's Mr. Faggot to You continues Ford's exploration of contemporary gay life. He does not shy away from personal revelations--he recalls his own traumatic high school experiences but recognizes that, years later, he's happier and, more importantly, a great deal more attractive than his classmates--but also offers insight into more political issues such as religion and politics and Wynonna Judd. Never abandoning his caustic wit, Ford is honest to a fault and does not suffer fools or dog-haters lightly.
