Wagering My Wife: A Wife Watching Fantasy Lexi Archer

From Lexi Archer. Author of your favorite stories about women who stray and the men who love them for it!

A party at her boss's house. It sounded innocent enough to Dean even though they'd never gone to one of these parties before.

Only he's going to find out his faithful wife hasn't been entirely honest. Or entirely faithful for that matter. A bit of overheard office gossip turns into a heated argument with Rachel's boss, a newly divorced sculpted dark-skinned god who's on the prowl as he shows off his new bachelor pad mansion on the lake.

In the heat of the moment Dean can only think of defending his wife's reputation. So he does something stupid. He makes a bet. A bet that his wife will remain faithful to him no matter what.

A bet that her cocky and confident boss is only more than happy to take on. Personally. The stakes are simple. If Rachel stays faithful then Dean wins his wife and a nice sum of cash. If her boss wins then it could destroy Dean and their marriage forever.

And yet Dean is feeling a strange compulsion. A new desire to watch his wife with another man. He doesn't know where it came from. He can't explain it. He can't deny it, and this new desire might just make losing the bet the real win!
