**Where Does the Wind Blow? (Sharing Nature With Children Book)** Cindy Rink, Cynthia A. Rink

Feel the wind blowing gently across your face. Watch it ripple the grasses, sway the branches, and push the clouds across the sky. Where does it come from? Where does it go? This endearing story was written by the author when her young son lived half way around the world. It is a loving reminder that some experiences still link them, regardless of distance. The wind is one of these, connecting all of us on this planet we call home.
