All Around Town

Teach children critical thinking and strategic planning skills as they race to be the first player with a card from all six stores in town. Players race around town collecting a card from each store, which they place on their store front game mats. The first player to fill the game mat with the cards they've collected is the winner. The game includes a game board, 4 game mats, 60 game cards, 4 markers, and directions. Perfect for up to 4 players, it also supports NAEYC standards. Key Education products are intended to engage and educate young and special learners, as well as assist teachers in building a strong and developmentally appropriate curriculum for these children. The product line—comprised of teacher/parent resource books, photographic learning cards, and other activity- and game-oriented materials—is designed to assist in Unlocking the Potential in Every Child.
