This book includes our Financial Consulting and Accounting and Bookkeeping jokes, and yes the jokes are very corny. But if you want to add a bit of humor to your stressful workday this would be a fun read on your lunch break.

After the simple jokes comes How To Become Rich. It is a humorous book that really does tell you a simple secret to becoming rich, but don't get caught up in all the money hype. This book is a funny read that will enrich your life with a smile or two.

The book talks about way to acquiring wealth such as winning the lottery, inheriting your fortune, or being involved in a lawsuit. And then it goes on to discuss ways to save money such as mowing your own lawn so you can cancel your membership to the gym. You can expect, humor, wit, and a moral to the story. Sounds like a good financial investment to me.
