Innovations in Applied Artificial Intelligence: 17th International Conference on Industrial and Engineering Applications of Artificial Intelligence ... (Lecture Notes in Computer Science)

Innovations in Applied Artificial Intelligence: 17th International Conference on Industrial and Engineering Applications of Artificial Intelligence ... (Lecture Notes in Computer Science)

“Intelligent systems must perform in order to be in demand.” Intelligent systems technology is being applied steadily in solving many day-to-day problems. Each year the list of real-world deployed applications that inconspicuously host the results of research in the area grows considerably. These applications are having a significant impact in industrial operations, in financial circles, in transportation, in education, in medicine, in consumer products, in games and elsewhere. A set of selected papers presented at the seventeenth in the series of conferences on Industrial and Engineering Applications of Artificial Intelligence and Expert Systems (IEA/AIE 2004), sponsored by the International Society of Applied Intelligence, is offered in this manuscript. These papers highlight novel applications of the technology and show how new research could lead to new and innovative applications. We hope that you find these papers to be educational, useful in your own research, and stimulating. In addition, we have introduced some special sessions to emphasize a few areas of artificial intelligence (AI) that are either relatively new, have received considerable attention recently or perhaps have not yet been represented well. To this end, we have included special sessions on e-learning, bioinformatics, and human-robot interaction (HRI) to complement the usual offerings in areas such as data mining, machine learning, intelligent systems, neural networks, genetic algorithms, autonomous agents, natural language processing, intelligent user interfaces, evolutionary computing, fuzzy logic, computer vision and image processing, reasoning, heuristic search, security, Internet applications, constraint satisfaction problems, design, and expert systems.

From reader reviews:

Robin Boucher:

The book with title Innovations in Applied Artificial Intelligence: 17th International Conference on Industrial and Engineering Applications of Artificial Intelligence ... (Lecture Notes in Computer Science) includes a lot of information that you can discover it. You can get a lot of gain after read this book. That book exist new information the information that exist in this publication represented the condition of the world today. That is important to yo7u to know how the improvement of the world. This particular book will bring you within new era of the globalization. You can read the e-book on your smart phone, so you can read this anywhere you want.

Charles Anderson:

Playing with family in the park, coming to see the coastal world or hanging out with friends is thing that usually you might have done when you have spare time, then why you don't try matter that really opposite from that. 1 activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition info. Even you love Innovations in Applied Artificial Intelligence: 17th International Conference on Industrial and Engineering Applications of Artificial Intelligence ... (Lecture Notes in Computer Science), it is possible to enjoy both. It is good combination right, you still want to miss it? What kind of hang type is it? Oh can occur its mind hangout guys. What? Still don't understand it, oh come on its referred to as reading friends.

Sally Rose:

Are you kind of active person, only have 10 or perhaps 15 minute in your morning to upgrading your mind proficiency or thinking skill also analytical thinking? Then you are experiencing problem with the book as compared to can satisfy your small amount of time to read it because all of this time you only find e-book that need more time to be learn. Innovations in Applied Artificial Intelligence: 17th International Conference on Industrial and Engineering Applications of Artificial Intelligence ... (Lecture Notes in Computer Science) can be your answer because it can be read by you actually who have those short extra time problems.

Rachel Wessels:

Don't be worry should you be afraid that this book will probably filled the space in your house, you might have it in e-book technique, more simple and reachable. This specific Innovations in Applied Artificial Intelligence: 17th International Conference on Industrial and Engineering Applications of Artificial Intelligence ... (Lecture Notes in Computer Science) can give you a lot of buddies because by you looking at this one book you have factor that they don't and make you more like an interesting person. This specific book can be one of a step for you to get success. This reserve offer you information that probably your friend doesn't know, by knowing more than additional make you to be great persons. So , why hesitate? Let me

have Innovations in Applied Artificial Intelligence: 17th International Conference on Industrial and Engineering Applications of Artificial Intelligence ... (Lecture Notes in Computer Science).
