This historic book may have numerous typos, missing text, images, or index. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. 1876. Not illustrated. Excerpt: ... OFFICIAL RANK AND DIGNITY OF A PILOT. THE RISE AND DECADENCE OF THE PILOTS' ASSOCIATION. In my preceding articles I have tried, by going into the minutiae of the science of piloting, to carry the reader step by step to a comprehension of what the science consists of; and at the same time I have tried to show him that it is a very curious and wonderful science, too, and very worthy of his attention. If I have seemed to love my subject, it is no surprising thing, for I loved the profession far better than any I have followed since, and I took a measureless pride in it. The reason is plain: a pilot in those days, was the only unfettered and entirely independent human being that lived in the earth. Kings are but the hampered servants of parliament and people; parliaments sit in chains forged by their constituency; the editor of a newspaper cannot be independent, but must work with one hand tied behind him by party and patrons, and be content to utter only half or two-thirds of his mind; no clergyman is a free man and may speak the whole truth, regardless of his parish's opinion; writers of all kinds are manacled servants of the public. We write frankly and fearlessly, but then we "modify" before we print. In truth, every man and woman and child has a master, and worries and frets in servitude; but in the day I write of, the Mississippi pilot had none. The captain could stand upon the hurricane deck, in the pomp of a very brief authority, and give him five or six orders, while the vessel backed into the stream, and then that skipper's reign was over. The moment that the boat was under way in the river, she was under the sole and unquestioned control of the pilot. He could do with her exactly as he pleased, run her when and whither he chose, and tie her up to ...
