One Second After You... Mark Cahill

This brand new booklet from Mark Cahill Ministries covers all of the major subjects of witnessing-proving there is a God, creation versus evolution, the truth of the Bible, the existence of heaven and hell, the presence of sin in every person's life, the cross of Jesus Christ, and the resurrection of our Lord-in a simple 64 pages. Some people may not read the Bible, but they will read many of God's words in this booklet containing over 100 Scripture verses. I really think you are going to love giving these away to the lost people in your life and in mass quantities everywhere you go and witness. It is a great tool to help you flood those football games, malls, beaches, schools, neighborhoods, etc. with tons of Biblical truth, and then watch God make those seeds you planted begin to grow! I also think it will be a great gift for churches to give away to their visitors each week. There is even a space inside the booklet where you can place a sticker or write your church's-or your personal-information, so people can contact you if they have more questions about what they've read. We made this booklet to be very high quality with glossy pages and artwork on the inside. It is appealing to the eyes and feels good in your hands. You can be confident when you give these away that you are handing someone a quality product that they will enjoy having and reading. It is also a size that can slip easily inside a pocket or purse, so it's less cumbersome than a book, but includes way more truth than a tract. (64 pp.)
