Brock has divided these gay secret fantasies into **8 chapters** including **fantasies** about **older men, straight guys, public sex, threesomes, group sex, kink, and much more**. Some of these fantasies are incredible detailed and thought out. You can determine from the amount of detail that it's a sexual fantasy that they've long considered doing, but never went through with.

As a **BONUS**, he's included a chapter explaining why these gay guys haven't explored their secret fantasies yet. You may find yourself relating to their responses and then questioning if these reasons are valid any more.

Purchase this book and indulge in the **secret fantasies of over 225+ gay men!** You may determine that you have a lot more in common with other guys. As well, you may even add a new fantasy to **your future sexual adventures**.
