Soul Meets Body Jocelyn Mosman

In her third collection, Jocelyn Mosman reflects on the journey between adolescence and adulthood. Alternately funny and deeply personal, Jocelyn paints a universally identifiable picture, expressed in her unique style. Soul Meets Body is a guide to growing up, a blueprint to loving yourself and a hand to hold while figuring out the continuing puzzles of life, love and the universe. One day Jocelyn might figure everything out, but for now she continues to write and perform her poetry in front of microphones and audiences.
