Twelve Steps CB Potts

Hitting rock bottom is only the beginning. Jacob's life is falling apart around him. No money, no job, and no hope for a better future... until he meets Craig. By introducing Jacob to the possibility of recovery, Craig gives Jacob a chance at a new life, and maybe more.

Set amidst the drama, romance, and furtive desires of the recovery community, Twelve Steps tracks the progress of a relationship through timid infatuation into something stronger, darker, and perhaps far more addictive than either man ever imagined. It's one thing to surrender to a Higher Power. It's another to give up your heart.
