## **Once Upon a Time: Red's Untold Tale** Wendy Toliver

Red is 16 and lives with Granny in a cottage in the village, where boarding up the house and hiding during Wolfstime is a means of survival. Red help's Granny with Granny's baked good business, catering as well as door-to-door sales.

Red has a constant internal battle between her wild side and her strict, overprotective upbringing, and the issue of "control" as she discovers she has a hot temper when the "mean girls" push her too far. ("When we learn to control it, we needn't fear it," Rumpelstiltskin says in the series.) She has flashbacks to her 13th year when she received her cloak and the nickname "Red."

Plagued by nightmares she doesn't understand and a temper she can't control, Red struggles to save Granny's troubled business and to nurture her budding romance with Peter, even as the betrayal of her classmates awakens the wolf within.
