Rogue (Book 2) (The Omega Group) Andrea Domanski

The Omega Group has one purpose: to save mankind from preternatural and supernatural threats. After all, it takes one to know one, right?

Being sent home to investigate a rash of unusual events at the Grand Canyon is a mission Carter Mockta would really like to avoid. He's worked long and hard to forget his past and the reasons why he first joined the Omega Group. Unfortunately, missing people, tourists losing time, and unexplained auras are problems that can't be ignored.

Thrust into the middle of a tribal war that began over a thousand years ago when a God granted a single wish, Carter and his team must put an end to the vicious feud and scramble to survive as the ancient past, troubled present, and not-so-distant future collide.

The Grand Canyon holds many secrets, but one of them is far more sinister than anyone knows.
