## **Dreamology** Lucy Keating

Vibrantly offbeat and utterly original, Lucy Keating's debut novel combines the unconventional romance of *Eternal Sunshine of the Spotless Mind* with the sweetness and heart of Jenny Han.

For as long as Alice can remember, she has dreamed of Max. Together, they have traveled the world and fallen deliriously, hopelessly in love. Max is the boy of her dreams—and only her dreams. Because he doesn't exist.

But when Alice walks into class on her first day at a new school, there he is. Real Max is nothing like Dream Max. He's stubborn and complicated. And he has a whole life Alice isn't a part of. Getting to know each other in reality isn't as perfect as Alice always hoped.

Alarmingly, when their dreams start to bleed into their waking hours, the pair realize that they might have to put an end to a lifetime of dreaming about each other. But when you fall in love in your dreams, can reality ever be enough?

### From reader reviews:

#### **John Moore:**

What do you think of book? It is just for students as they are still students or the idea for all people in the world, the particular best subject for that? Merely you can be answered for that query above. Every person has distinct personality and hobby for each other. Don't to be compelled someone or something that they don't would like do that. You must know how great as well as important the book Dreamology. All type of book would you see on many resources. You can look for the internet options or other social media.

#### **France Brown:**

As people who live in the actual modest era should be upgrade about what going on or facts even knowledge to make these individuals keep up with the era which can be always change and advance. Some of you maybe may update themselves by studying books. It is a good choice for yourself but the problems coming to you is you don't know what one you should start with. This Dreamology is our recommendation to cause you to keep up with the world. Why, because book serves what you want and need in this era.

#### **James Babb:**

Reading a guide can be one of a lot of pastime that everyone in the world likes. Do you like reading book thus. There are a lot of reasons why people enjoyed. First reading a reserve will give you a lot of new facts. When you read a publication you will get new information due to the fact book is one of a number of ways to share the information or maybe their idea. Second, reading through a book will make you actually more imaginative. When you examining a book especially fictional works book the author will bring one to imagine the story how the characters do it anything. Third, you could share your knowledge to other people. When you read this Dreamology, you could tells your family, friends as well as soon about yours publication. Your knowledge can inspire different ones, make them reading a guide.

#### **Edward Davidson:**

That e-book can make you to feel relax. That book Dreamology was bright colored and of course has pictures on there. As we know that book Dreamology has many kinds or type. Start from kids until teenagers. For example Naruto or Private eye Conan you can read and feel that you are the character on there. So , not at all of book tend to be make you bored, any it can make you feel happy, fun and relax. Try to choose the best book for you and try to like reading in which.
