From the Folks Who Brought You the Weekend: A Short, Illustrated History of Labor in the United States Priscilla Murolo, A. B. Chitty

A "marvelously informed, carefully-crafted, far-ranging history of working people" (Noam Chomsky).

Hailed in a starred *Publishers Weekly* review as a work of "impressive even-handedness and analytic acuity...that gracefully handles a broad range of subject matter," *From the Folks Who Brought You the Weekend* is the first comprehensive look at American history through the prism of working people. From indentured servants and slaves in the seventeenth-century Chesapeake to high-tech workers in contemporary Silicon Valley, the book "[puts] a human face on the people, places, events, and social conditions that have shaped the evolution of organized labor" (*Library Journal*).

From the Folks Who Brought You the Weekend also "thoroughly includes the contributions of women, Native Americans, African Americans, immigrants, and minorities, and considers events often ignored in other histories," writes *Booklist*, which adds that "thirty pages of stirring drawings by 'comic journalist' Joe Sacco add an unusual dimension to the book."
