Half of a Yellow Sun

Chimamanda Ngozi Adichie

Half of a Yellow Sun Chimamanda Ngozi Adichie

With effortless grace, celebrated author Chimamanda Ngozi Adichie illuminates a seminal moment in modern African history: Biafra's impassioned struggle to establish an independent republic in southeastern Nigeria during the late 1960s. We experience this tumultuous decade alongside five unforgettable characters: Ugwu, a thirteen-year-old houseboy who works for Odenigbo, a university professor full of revolutionary zeal; Olanna, the professor's beautiful young mistress who has abandoned her life in Lagos for a dusty town and her lover's charm; and Richard, a shy young Englishman infatuated with Olanna's willful twin sister Kainene. *Half of a Yellow Sun* is a tremendously evocative novel of the promise, hope, and disappointment of the Biafran war.

BONUS: This edition includes an excerpt from Chimamanda Ngozi Adichie's *Americanah*.
