**The Custom of the Army (Novella): An Outlander Novella (Lord John Grey)** Diana Gabaldon  
Diana Gabaldon, bestselling author of the acclaimed Outlander series, weaves an engrossing tale of war, history, and suspense in this original novella—now available as a standalone eBook—featuring returning hero Lord John Grey.

London, 1759. After a high society electric-eel party leads to a duel that ends badly, Lord John Grey feels the need to lie low for a while. Conveniently, before starting his new commission in His Majesty's army, Lord John receives an urgent summons. An old friend from the military, Charlie Carruthers, is facing court-martial in Canada, and has called upon Lord John to serve as his character witness. Grey voyages to the New World—a land rife with savages (many of them on his own side) and cleft by war—where he soon finds that he must defend not only his friend's life but his own.
