[(Anthropology at the Front Lines of Gender-Based Violence)] [Author: Jennifer R. Wies] published on (August, 2011) Jennifer R. Wies

"Anthropology at the Front Lines of Gender-Based Violence" is a broad and accessible volume, with a truly global approach to understanding the lives of front-line workers in women's shelters, anti-violence organizations, and outreach groups. Often written from a first-person perspective, these essays examine government workers, volunteers, and nongovernmental organization employees to present a vital picture of practical approaches to combating gender-based violence.
