Everything in Gabby Sullivan's life was going according to plan--her father's plan. With a brilliant job in the corporate world, glamorous parties, and a beautiful condo overlooking Seattle, she is thrown into a world she doesn't want to claim.

It's not until Jason crashes into her world that she realizes she's not really living. Facing his own demons, Jason attempts to piece his life back together after a personal tragedy. Damaged by his ghosts, Jason finally begins to forgive himself whenever Gabby's around. She makes him feel--alive, something he hasn't felt for a long time.

It's only as their love grows and secrets are revealed that they realize a devastating connection from their past might actually tear them apart.

Beyond Doubt and Beyond Reason are now available!

Dear reader:

I hope you enjoy reading Gabby and Jason's story as much as I loved writing it. This is a **completed story of Jason and Gabby** and is the first in a new series. However, the book does end with a new story just beginning surrounding another couple, who I've gotten the joy of writing about. Their story continues in Beyond Doubt and is out now!

Again, thank you for taking the time to read the first in the Beyond Love Series, and I hope you enjoy!
