Man's Fate and God's Choice: An Agenda for Human Transformation Bhimeswara Challa

The world today is facing a bewildering array of problems where human behavior is both brazen and bizarre. Those who are searching for a way out are daring to ask fundamental questions: What is man's rightful place? Are we a doomed species? Is God becoming weary of mankind? In *Man's Fate and God's Choice*, Bhimeswara Challa shares his comprehensive study of human behavior that suggests that the very paradigm of our thinking is inappropriate for the current challenges we face. In a thoughtful, innovative presentation of ideas, Challa posits that any betterment in human behavior needs a cathartic change at the deepest level, ultimately reawakening the intelligence of the human heart. He begins by examining the greatest challenge of this generation of human beings and continues by placing the multiple identities of man in perspective, reviewing our growing insensitivity to human suffering. Finally, he looks to the living world for inspiration, metaphors, and models for human transformation. *Man's Fate and God's Choice* incisively covers an array of issues and proposes an agenda for action as it challenges those who see misery and ask "Why" to also see the promise in the rainbow and then ask "Why not"
