Northanger Abbey

Jane Austen

Northanger Abbey Jane Austen

Northanger Abbey, written in 1798, was one of Austen's earliest works, though it was not published until after her death. The novel is the coming-of-age story of Catherine Morland, who is taken to the fashionable resort of Bath with her friends, the Allens. While in Bath, she meets Henry Tilney and his sister Eleanor. The Tilneys invite Catherine to Northanger Abbey, their family estate. Catherine, an avid reader of Gothic novels, soon becomes obsessed with the thought that possible atrocities are going on at the abbey.

Northanger Abbey is Austen's parody of late 18th century Gothic thrillers by writers such as Ann Radcliffe. While it is considered by many to be Austen's most light-hearted novel, it is nevertheless filled with unsentimental commentary on love and marriage.
