Billionaire Season: Billionaire Season Trilogy, Book 1 Kimball Lee

William Warfield is a lucky man - he is heir to a multibillion-dollar shipping empire, and with his heart-stopping good looks and Southern charm he has all the perks, freedom, and erotic pleasures the sultry city of New Orleans has to offer. There are only three minor flaws in his better-than-perfect life.

His father is still in love with a woman he hasn't seen in 30 years, his brother can barely balance his faltering sanity while operating his elite private sex club, and there's Allie Darling....

Allie is the daughter of his father's long-ago love interest, who William ends up "babysitting" for the long, hot summer. She's a just-out-of-college, wide-eyed, and not-so-worldly California girl who William has absolutely no interest in...until he does.

Sparks fly, and William introduces Allie to the hedonistic pleasures of his exotic world. Will Allie succumb to her carnal desires and adapt to his lifestyle or go running back to her simple life?

William has never lost in business or love, and Allie has never even played, but after a long, hot New Orleans summer, the erotic pleasures that brought them together might just be what tear them apart.
