Something Great M. Clarke

* This is a New Adult romance novel recommended for ages 18+ due to sexual content and mature subject matter.

She didn't know what she was missing...until he found her.

Maxwell Knight was dangerously good-looking, seductively charming, and definitely trouble. He was everything Jeanella Mefferd did NOT need now.

Fresh out of college, life was predictable and comfortable for Jeanella. She had the strength of her friends, the security of her job, and she was dating a reliable man; it was all smooth sailing. That was until one night, when she met someone who made her feel things she'd never felt before--dangerous, heart pounding, breathless heat.

Never imagining she would see him again, Jeanella has no idea what to do when fate steps in and thrusts Maxwell Knight into her life, just as things were beginning to change around her. When she lands her dream job and travels to New York for Fashion Week, can she focus on her career instead of on Maxwell?

Will she ignore all the danger signs and jump straight into his arms; or would she miss out on the chance of finding something great?
