## **The Delaney Project** Chris Pirkey

Seattle Homicide Detective John Ryland had spent a lifetime trying to find the hit-and-run driver who had killed his young wife. Now he has a sabotage threat against The Delaney Project (the first economical hydrogen-fuel-cell-car ready for mass production) to solve in less than a day and a half. Beautiful Private Investigator Helena Vargas has loved Ryland in vain, but when she tries to help him uncover the saboteur, he cannot protect her. Matthew Delaney, a Seattle real estate mogul, had hoped that bankrolling the development of The Delaney Project would offer him a reason for living, but his hopes were fading fast. Eduardo Barela, Delaney's assistant, had grown tired of being in Delaney's shadow. It was left to him to design a Mexican fiesta Castillo to celebrate the debut of the new car, which he did...in an unexpectedly spectacular way. And Delaney's headstrong daughter, Lisa, must choose between the young man she loves and the kind of life she'd always envisioned for herself. Each of these are thrown into explosive circumstances within the space of one weekend, while a violent storm sweeps the Seattle area.

### From reader reviews:

#### **Winston Nakashima:**

The book The Delaney Project can give more knowledge and also the precise product information about everything you want. So just why must we leave a very important thing like a book The Delaney Project? Several of you have a different opinion about guide. But one aim that book can give many info for us. It is absolutely right. Right now, try to closer with the book. Knowledge or info that you take for that, you are able to give for each other; you are able to share all of these. Book The Delaney Project has simple shape however you know: it has great and large function for you. You can search the enormous world by wide open and read a reserve. So it is very wonderful.

#### **Paul Green:**

Reading a publication tends to be new life style within this era globalization. With studying you can get a lot of information that may give you benefit in your life. With book everyone in this world can certainly share their idea. Guides can also inspire a lot of people. Lots of author can inspire their reader with their story or maybe their experience. Not only the story that share in the publications. But also they write about the knowledge about something that you need instance. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors these days always try to improve their expertise in writing, they also doing some analysis before they write with their book. One of them is this The Delaney Project.

#### **Eric Beckman:**

The reason why? Because this The Delaney Project is an unordinary book that the inside of the reserve waiting for you to snap the item but latter it will distress you with the secret the item inside. Reading this book next to it was fantastic author who all write the book in such wonderful way makes the content inside easier to understand, entertaining technique but still convey the meaning fully. So , it is good for you for not hesitating having this ever again or you going to regret it. This book will give you a lot of rewards than the other book have such as help improving your skill and your critical thinking technique. So , still want to hesitate having that book? If I ended up you I will go to the guide store hurriedly.

#### **Kenneth Kan:**

Don't be worry when you are afraid that this book will probably filled the space in your house, you could have it in e-book means, more simple and reachable. That The Delaney Project can give you a lot of friends because by you looking at this one book you have thing that they don't and make a person more like an interesting person. This specific book can be one of a step for you to get success. This book offer you information that possibly your friend doesn't recognize, by knowing more than various other make you to be great folks. So , why hesitate? Let me have The Delaney Project.
