## **From Role to Soul: 15 Shifts on the Awakening Journey** Annie Burnside

From my work with many who have awakened, I've learned that what it takes for us to finally quit trying to awaken, and simply awaken, is highly individualized. In my own life, I can detect 15 shifts that occurred within me. Yet, as I talk with others, it becomes increasingly apparent that those shifts are pretty much common to the experience of awakening. In FROM ROLE TO SOUL, I take you into the everyday nitty-gritty of what awakening is-what it looks like, what it feels like, and how it comes about. As you experience the shifts in your own life, you'll find a new joy arising in you, a deep love of life flooding through you, and the kind of meaning and fulfillment for which you've always longed. ~ Annie
