Highland soldier Callum MacDonell battled lowland Covenanters at the service of the King. Now charged with hunting an assassin, his journey would lead not to justice, but to a murderer's passionate Covenanter sister, Mari McEwan.

Betrayed and abandoned by the man she loved, Mari faced judgment by a tribunal of her people demanding she name the father of her unborn child, or be exiled from everything she knows.

**Only an enemy soldier could save her life--and her heart.**

*Book 1 in the Highland Soldiers series, Scottish historical romances set during the turbulent Covenanter times of 17th century Scotland.*

*A Note on the Content: The Highland Soldiers romances fall on the sweet end of the romance spectrum. Although not explicit, they may contain sexual situations and mild profanity.*
