**Leadership Skills: How Winning Leaders Make Great Calls By Building Highly Effective Teams: Grow Human Potential, Develop Skills and Empower People (Leadership ... Transformational Leadership Book 2)** Richards L. Serena

The relationship between culture and leadership is defined by team members' performance and effectiveness.

The philosophy and the mission of an organization are key factors in defining the organization culture.

If the organization is to be faithful to its philosophy and mission, its leader's style must be consistent with them.

An important key to successful leadership is to know how, when, and how much of what leadership style is needed in a particular situation.

An autocratic leadership style in a democratic organization can create chaos.

This is why we should know to choose the appropriate leadership styles for each situation.

True leaders recognize that they can't do and know everything by themselves.  
They value the potential of the people they work amongst  
Their purpose is to motivate, develop and inspire people.
