My childhood was perfect. I've led a charmed life, and I'm not going to blow it now by picking the wrong guy. I've got my sights set on my brother's best friend. He's known my family for years. He's reliable and kind and handsome. Sure, he's been avoiding me since I was six. I'm a bit aggressive for him, maybe. But he's the one... right? **RIGHT** is a full-length standalone novel. This novel features Everly, Sophie's best friend from the novel **Wrong**. Both books were written as standalones and can be read without the other.

From reader reviews:

Betty Terry:

The book Right can give more knowledge and also the precise product information about everything you want. So why must we leave a good thing like a book Right? A few of you have a different opinion about reserve. But one aim which book can give many data for us. It is absolutely right. Right now, try to closer with the book. Knowledge or facts that you take for that, you could give for each other; you could share all of these. Book Right has simple shape however you know: it has great and massive function for you. You can search the enormous world by open and read a book. So it is very wonderful.

David Black:

The e-book untitled Right is the guide that recommended to you you just read. You can see the quality of the guide content that will be shown to you. The language that article author use to explained their way of doing something is easily to understand. The author was did a lot of analysis when write the book, hence the information that they share for your requirements is absolutely accurate. You also could get the e-book of Right from the publisher to make you much more enjoy free time.

Francis King:

Playing with family in the park, coming to see the water world or hanging out with friends is thing that usually you might have done when you have spare time, and then why you don't try factor that really opposite from that. One particular activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love Right, you may enjoy both. It is great combination right, you still would like to miss it? What kind of hang type is it? Oh can occur its mind hangout folks. What? Still don't get it, oh come on its called reading friends.

Victor Havens:

Don't be worry for anyone who is afraid that this book will certainly filled the space in your house, you might have it in e-book method, more simple and reachable. That Right can give you a lot of close friends because by you considering this one book you have issue that they don't and make a person more like an interesting person. This specific book can be one of a step for you to get success. This reserve offer you information that perhaps your friend doesn't learn, by knowing more than different make you to be great folks. So , why hesitate? Let us have Right.
