Here Come the Brides!: Reflections on Lesbian Love and Marriage

Marriage today isn't what it used to be: for better, not for worse. As same-sex weddings are becoming more common, the classic love-story happy ending is taking on a decidedly new twist, everyone has a fresh role to play, and supporters and opponents of gay marriage alike are finding themselves in the midst of a revolution that's redefining marriage—both as a personal choice and as an institution—as we know it.

In *Here Come the Brides!*, editors Audrey Bilger and Michele Kort gather together the voices of women taking part in—and shaping—this major historical shift. Representing a diversity of points of view in terms of race, class, ethnicity, and gender identification, this collection of essays, stories, and visual images takes a multidimensional look at how opening up the traditional order of “man and wife” to include the possibility of “wife and wife” is altering our social landscape. From wedding pictures and images of protest signs to comical anecdotes and sober philosophical analyses, *Here Come the Brides!* is an exploration of how the legalization of same-sex marriages has irrevocably changed the way lesbians think about their unions and their lives—and a celebration of the dream of lesbian happily-ever-afters.

Your knowledge can inspire different ones, make them reading a e-book.

Jan Dixon:

As a university student exactly feel bored to reading. If their teacher asked them to go to the library in order to make summary for some book, they are complained. Just very little students that has reading's spirit or real their leisure activity. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that looking at is not important, boring along with can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Here Come the Brides!: Reflections on Lesbian Love and Marriage can make you really feel more interested to read.
