North Africa to North Malabar Shyamalan N C

The origin of humans from Africa and the amazing journey of ancestors migrating to different regions of the world are illustrated. Study of archaeology and genealogy made possible to trace the path of migration. How various groups came to India and specific migrants to Kerala, India are stressed. Evolution of author's community and the role it played locally and nationally are emphasized. The book is unique, as it explains the genesis, migration, evolution and civilization of humans who are in search of social equality.
