Even the Women Must Fight: Memories of War from North Vietnam Karen Gottschang Turner
Even the Women Must Fight

""Karen Turner and Phan Thanh Hao have brought scholarship and compassion to a long-neglected aspect of the Vietnam War--the contributions of Vietnamese women to the independence struggle of their nation and the terrible price they paid for their courage and patriotism.""--Neil Sheehan, author of *A Bright Shining Lie: John Paul Vann and America in Vietnam*.

A searing chronicle of wartime experiences, *Even the Women Must Fight* probes the cultural legacy of North Vietnam's American War. Unflinching in its portrayal of hardship, valor, and personal sacrifice, this wrenching account is nothing short of a revelation, banishing in one bold stroke the familiar image of Vietnamese women as passive onlookers, war brides, prostitutes, or helpless refugees.

""Karen Turner has given us a book that will change our understanding of the Vietnam War--and of Vietnam today. I found it enthralling."" --Cynthia Enloe, author of *The Morning After:*

* *Sexual Politics at the End of the Cold War*.

""A first-rate book that will add substantially to our understanding of the human tragedy associated with one of the most bloody conflicts in recent history.""--Robert Brigham, Professor of History, Vassar College.
