**How small, one-of-a-kind businesses can break through among giants**

Megachains like Walmart, Starbucks, Home Depot, and The Gap attract Americans to thousands of outlets by offering a large selection of goods and services. But this doesn't mean that independent stores can't compete with the big guys-and win. Retail expert George Whalin identifies and explores twenty-five highly popular and profitable independent stores from around the country. Unlike the mom-and-pops of yesteryear, these businesses embrace technology and innovation, generate word of mouth, and turn their size into an advantage. They include:

- ABC Carpet and Home in New York City
- Powell's City of Books in Portland, Oregon
- The Junkman's Daughter in Atlanta
- Jungle Jim's International Market in Fairfield, Ohio

Readers will be inspired by how these independent stores are thriving and take away lessons they can apply to their own businesses.
