The Los Angeles Private School Guide 2004 Edition Fiona Whitney

A must-have guide for parents looking for the right school for their child in the Los Angeles Area. Just in time for the arduous private school application process, Tree House Press is pleased to announce the 2004 Edition of The Los Angeles Private School Guide. In this edition, over 70 of the top private schools (pre-school through high school) have been reviewed, giving parents a bird's eye view of each school through the discerning eyes of a parent.

Also new to this edition, information on Charter Schools - how to open one and how to get into them, along with updated information on the G.A.T.E. and magnet programs all run through the LAUSD. These may be a wonderful alternative to private schools and their ever-increasing tuition costs.
